Hello Fellow Australians

And friends around the World I am now ordering the Australian Federal Police & ASIO to Arrest Prime Minister Julia Gillard, Stephen Smith Defense Minister and Ex – Foreign Affairs Minister Kevin Rudd.

And charge them under breaches to the ASIO Act 1979

## **Politically Motivated Violence**

2.2 **"Politically Motivated Violence"** means:

(A) Acts or threats of violence or unlawful harm that are intended or likely to achieve a political objective, whether in Australia or elsewhere, including acts or threats carried on for the purpose of influencing the policy or acts of a government, whether in Australia or elsewhere

(b) Acts that -

(I) Involve violence or are intended or are likely to involve or lead to violence (whether by the persons who carry on those acts or by other persons)

I will explain this in plain everyday English  
for any school child to understand

- No Prime Minister
- No Cabinet Minister
- No Opposition Leader
- No Opposition Shadow Front Bench
- No Back Bench Politician
- No Business or Business Person
- No Media Outlets
- No Groups
- No Ordinary Citizen

Nobody without exception, I didn't know doesn't cut it.

Absolutely **NOBODY** what so ever shall get involved with anybody from another country and **"Conspire"** with, plan, organize, direct in any way to over throw other Governments elsewhere in the World.

Or even support by sending our **(SAS Troops)** over for secret **"Covert Missions"** to help in the destruction and over throw of another country anywhere in the World.

So do we understand this people?

And hopefully The Federal Police, ASIO & DPP Prosecutors?

So now lets put this Law into action, and see it being broken right under everybody's eyes.

Acts or threats of violence or unlawful harm that are intended or likely to achieve a political objective, whether in Australia or elsewhere **(Kenya, Tanzania, Burundi, Djibouti, Eritrea, Ethiopia, Rwanda, South Sudan and Somalia, Uganda)?**

Including acts or threats carried on for the purpose of influencing the policy or acts of a government, whether in Australia or elsewhere **(Kenya, Tanzania, Burundi, Djibouti, Eritrea, Ethiopia, Rwanda, South Sudan and Somalia, Uganda)?**

## **Summary**

This was written into the **ASIO Act knowingly and deliberately**, so as to **keep Australia Independent and preserve our Sovereignty and keep Australia neutral in conflicts.**

By

Prime Minister Julia Gillard

Defense Minister Stephen Smith

Former Foreign Affairs Minister Kevin Rudd

By these people knowingly breaking the ASIO Act 1979 under the above Law, proves they are **under acknowledgement of allegiance, obedience, or adherence to a foreign power.**

That being United States of America – Washington DC

They also dob themselves in by them doing this  
Illegally sending Australian **(SAS Troops)** to Africa on **“Covert Missions”** they have signed onto the **“Project For The New American Century”** plans, goals, ambitions, aims, objectives of the United States of America.

SEARCH FOR TRUTH

They also going back one step further prove their guilt in this area, they know its really the **(FBI, CIA, Mossad, MI6)** to name a few Intelligence Agencies carrying out **Terrorist Attacks around the World** as cover to push the **“War On Terror”** along and thus the PNAC Agenda.

**I am now ordering the Australian Federal Police & ASIO to Arrest Prime Minister Julia Gillard, Stephen Smith Defense Minister and Ex – Foreign Affairs Minister Kevin Rudd.**

Come on you Fat Ass – Donut stuffing in your mouth, Flat Foot Cop, get off your ASS now and Arrest these people for breaking the Law.

If The Australian Federal Police, ASIO and The Federal DPP refuse to Arrest / Charge / Prosecute this people above as mention, this is proof to the Australian people our whole system of Government is corrupt to the bone.

Just like it is in America, England, Canada and other countries.

### **SAS Aussie Troops in Africa the Real Story (Must Read)**

Some people may have read this story?

It can now be exposed with the following story, this is the Truth – Australian SAS Troops have been operating in parts of Africa Illegally against the ASIO Act, doing **“Covert Missions”** ordered by Australian corrupt politicians on behalf of United States Of America.

The name of our Defense Force is called – Australian Defense Force.

## **Not**

Australian Offence Force – to be used in Geopolitical World Power & Control Games United States of America wants to play.

And as such the Australian Defense Force **“Prime Directive”** is Defense of Australia.

**The lying little scumbag Defense Minister Stephen Smith said:** - When question about Australian SAS Troops in Africa, clammed up and quoted National Security.

**Question:** - How is it in Australia's National Security interest sending Australian SAS Troops overseas to other countries, to do **“Covert Missions”** to overthrow other countries Governments, murder their people, bomb them back to the stone age.

So America can take control and put the Resources Oil, Gas, Minerals under their care for: - The Zionist Jewish Bankers, Oil Cartels, Military Industrial Complex, The Corporations and everybody else who is pulling America's strings from behind the scenes, also the IMF and World Bank?

**Come on Stephen Smith? - How is that in Australia's National Security Interest?**

Actually all I see is **“Traitors”** – **“Treasonous”** sell out's

## U.S. Puts Boots on the Ground Across Africa

<http://americanfreepress.net/?p=3376>

Secretly, the objective has been to wage war against a range of perceived enemies, with fewer boots on the ground and less accountability to the American electorate.

Uganda is not the only East African nation where there is a growing U.S. military presence, Others include Kenya, Tanzania, Burundi, Djibouti, Eritrea, Ethiopia, Rwanda, South Sudan and Somalia.

Some of these nations are not merely hosting U.S. military trainers but have secret bases from which Special Forces can be dispatched to hit targets across the region.

The largest base is Camp Lemonnier in Djibouti, but there are other U.S. sites in Ethiopia, which have been designed as launch pads for attacks on groups in Somalia and Yemen and for covert operations against Iran.

## U.S. Puts Boots on Ground Across Africa

## **Humanitarian Relief Efforts Mask Ulterior Agenda**

As the war in Afghanistan winds down, the Pentagon's focus has shifted to Africa and a new kind of warfare, using drone and missile attacks, small Special Forces teams and a mixture of Marines and special advisers to train African national armies to act as proxies in the American global empire.

Much of this warfare is being promoted under the rubrics of humanitarian aid and combating piracy.

While those may be two reasons for establishing a bridgehead on the African continent they do not tell the complete story.

Secretly, the objective has been to wage war against a range of perceived enemies, with fewer boots on the ground and less accountability to the American electorate.

When Barack Obama sent 100 Special Operations troops to Uganda in 2011, his declared aim was to hunt down leaders of the so-called Lord's Resistance Army, founded by Joseph Kony.

### **That, however, was a smokescreen.**

As of Feb. 5, 2012, the U.S. military presence in Uganda has expanded, working to eliminate another group that has never attacked the United States—Harakat al-Shabaab al-Mujahideen, which operates in nearby Somalia and elsewhere in East Africa.

That became apparent with the arrival of soldiers from the Marine Force Reserve.

One of its officers, Cpl Jad Sleiman, had this to say about its role "Special Purpose Marine Air Ground Task Force 12, the Marines'

Sicily-based parent command, is tasked with sending small training groups into Africa to partner with local militaries in an effort to indirectly blunt the spread of extremist groups across the continent.

The task force has dispatched teams across a wide swath of Africa over the course of their six month deployment in support of Marine Forces Africa, sending anywhere from five to 50 Marines into partner nations for days to months at a time."

Uganda is not the only East African nation where there is a growing U.S. military presence.

Others include Kenya, Tanzania, Burundi, Djibouti, Eritrea, Ethiopia, Rwanda, South Sudan and Somalia.

Some of these nations are not merely hosting U.S. military trainers but have secret bases from which Special Forces can be dispatched to hit targets across the region.

The largest base is Camp Lemonnier in Djibouti, but there are other U.S. sites in Ethiopia, which have been designed as launch pads for attacks on groups in Somalia and Yemen and for covert operations against Iran, Ethiopia, which has its eyes on Sudan's oil, has had a long relationship with the Pentagon.

As far back as 2003, it provided training facilities for the U.S. 20th Mountain Division.

The Horn of Africa is a powder keg of tribal friction.

It is also an area rich in energy resources and is geographically positioned to allow the U.S. to keep eyes on Iran, Libya and Egypt.

By maintaining only specialized forces in host nations like Uganda, the Pentagon knows there is less likelihood Africans will have flashbacks to the colonial decades when the British, French and Dutch controlled the region with considerable brutality.

Nevertheless, there is a real risk that the deeper the U.S. becomes entangled in the internal politics of some of these countries, the greater the likelihood secret wars will develop into larger conflicts.

Israel also has a keen interest in the region and is believed to have surveillance and Special Operations posts in Eritrea and Ethiopia.
